Hello, everyone! Attached are draft final posters for your meeting Jan 30. These will be enlarged, mounted and come with "feet" that will allow you to stand them on a table, if needed. Let me know if these look OK and I'll get them into production. Valmichael...I cropped off a bit from your pics to make them enlarge better and accommodate the captions (I pulled these from the email from your vendor). I added the date they were taken to the caption. Let me know if you have any further revisions. Thanks! **I would like to get these into production by COB today, if possible.**
